

THE CHEST Obj 44830

BX-408, Puzzle in Box
Invitation

Ursuline College was having a golf outing and needed an invitation. The PZ-408, 8" diameter, puzzle in pizza style box was used. The puzzle has stock golf graphics with a picture of Sister Anna Margaret. The picture shows Sister sneaking out with her clubs and saying, "I hope no one sees me practicing". The puzzle was placed in the box and mailed to the prospective golfers.

Due to the creative way this was sent out, it appeared it would be a guaranteed great time. Attendance was at an all time high.
