

## Holiday Gift Continuity Program PZ-532

Brasfield & Gorrie is a Regional General Contractor serving serving the Southeast from offices in Birmingham, Atlanta, Nashville, Orlando and Raleigh. Each year one of their projects is photographed and made into a puzzle for a Holiday Gift. These are given to existing customers and qualified prospects.

The Georgia Aquarium was made into a 18" x 24", 432 piece puzzle and inserted into a chipboard box measuring 6" x 8" x 2.

This puzzle is the fourth in a series that they do each year.
